Sports Grass product offers cost-effective solutions for fields of any size. We specialize in indoor and outdoor facilities featuring football, baseball, tennis, padel, golf and many other sports fields. Forget the maintenance, damage, and weather concerns of natural grass surfaces. With artificial sports grass, you can turn your indoor facility into an all-weather sports paradise.

Artificial Grass

Landscape Grass

Pile height:10-40mm

Dtex: 18900/16800/ 14700

Yarn type: straight+curl mix

Stiches:14700-18900

color: dark green, light green, yellow and customized

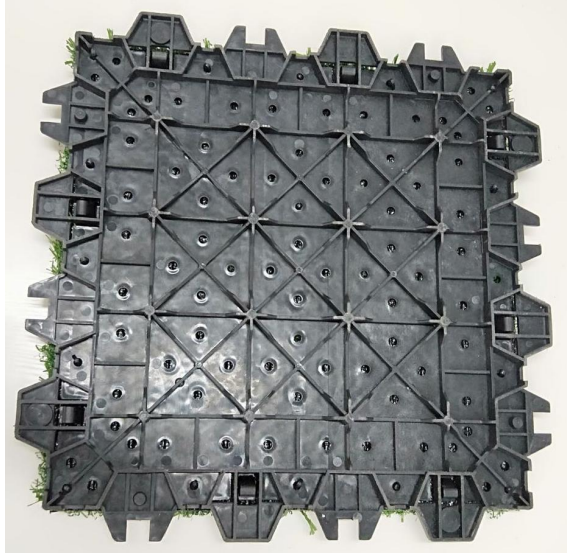

Backing: pp+net+latex, pu backing and green color backing

High UV resistant from sunshine makes our grass longer using life. Holes in the bottom makes grass drain fast. Good yarn makes grass clean easier.

Flyon landscape grass is specially engineered to meet wide applications, including residential landscape (gardening), playground, road verges, roof, hotel/school/institution, pet areas and etc.

Artificial Grass

Interlock Grass
